

Broilmaster Premium Gas Grills

(The Most Durable Grill Known To Man)

Broilmaster serves up a whole new world of grilling performance and plenty of options for building the perfect grill that will last and last.

With Broilmaster Options, you choose the head, mounting and shelf configurations to suit your own taste. Talk about durability? Our adjustable, porcelainized cast-iron cooking grids are warranted for life. And the same goes for an extra-thick, permanent-mold aluminum grill casting that provides ideal temperature consistency. Made from the highest-grade stainless-steel (430 series), our patented bowtie burner system also carries a Lifetime Warranty. Plus, each grill is crafted with all stainless-steel nuts and bolts.

Impressive Features

You don't have to be a professional chef to appreciate Broilmaster's impressive list of gourmet grilling features. Together, they provide all the convenience and versatility grill owners love.

Dual 20,000 Btu Stainless-Steel Bowtie Burners disperse flames evenly for 40,000Btu's of cooking power. The patented flame pattern to ensures even heat distribution and allows for direct broiling or indirect baking with a Lifetime Warranty.

Char-Master Briquets vaporize drippings for enhanced charbroiled flavor.

Dual-Control Knobs allow infinite settings between High and Low and the Push-Button Electronic Igniter with improved collector box ensures reliable, match-less ignition.

Choose from either 695 or 473 square inches of total cooking area to allow for grilling, baking and warming at the same time.

Degree-Calibrated built-in heat indicator takes the guesswork out of monitoring cooking temperatures.

Adjustable to three heights, the Extra-Heavy Porcelain-Coated Cast Iron Cooking Grids provide a non-stick surface to sear meat better than cheap wire grids.

Thick Uniform Aluminum Grill Body Castings retain heat and are covered by a Lifetime Warranty.

The Stainless-Steel Handle features sturdy, corrosion-resistant construction and includes a heat-protective grasping sleeve.

High Impact Granite-Look Shelves are built to withstand the elements. Made from the same durable materials as high-end kitchen countertops, these shelves are designed for direct food contact and are dishwasher-safe. The solid-surface front shelves have cup holders and a saucepan compartment for convenience. The solid surface side shelves have utility hooks and a channel to place large cooking utensils so accessories will always be at your fingertips.

Stainless-Steel Flex Connector for all posts allows for an easy gas connection to the grill.

Stainless-Steel Carts and Mountings carry a Lifetime Warranty.

Optional Stainless-Steel side-burner allows you to simmer, sautee or fry while you grill.
