General Conditions

- An annual Precision Tune-Up/Service Check will be performed once during the term of this agreement, during regular working hours. It is your responsibility to arrange an appointment for this important service. Your right to this annual tune-up expires at the end of each coverage year. We will issue no credit if not performed nor will we carry over this right to any subsequent year.
The annual tune-up includes:

Test and adjust oil burner for maximum efficiency	Clean and check electrodes and nozzle assembly	Safety check all operating controls
Install new air filters, oil filter cartridge, and burner nozzle, if necessary	Check oil tank	Inspect Combustion Chamber
	Oil all motors on burners, fans, and circulators	Clean and inspect flue pipe including chimney base (where accessible)
- Labor is covered only for the repair and replacement of covered parts.
- This agreement does not cover repair or replacement of obsolete parts such as certain zone valves, circulators, combustion chambers, humidifiers, and air cleaners which are not available through regular sources of supply.
- All parts listed under this agreement which are eligible for replacement will be replaced with equivalent parts. Parts upgrades are not covered and will be charged accordingly. Initial repairs required to put the heating system in acceptable condition are not covered.
- Exclusions:** This agreement does not cover parts or labor when failure is due to:

Lack of oil when delivery has been delayed due to delinquency in payments, or when customer is not on automatic delivery.	Failure of customer to maintain proper boiler water level or pressure
Customer leaving emergency switch in "off" position	Frozen pipes
Customer setting thermostat too low to call for heat	Water damaged parts
Water in tank or fuel system	
Any system failure or damage caused by, or resulting from, the actions of the customer or any third party	
- This agreement is void if all fuel requirements or service on any parts or equipment covered by this plan are purchased from any source other than Norbert E. Mitchell Co., Inc.
- This agreement covers one domestic type oil burner only. It does not apply to the following oil burners: pot type, low pressure, rotary, Buderus Lo-Nox boilers, GE low pressure, and domestic type oil burners over 25 years old. We reserve the right to reject an oil burner from coverage under this plan prior to issuing or renewing this agreement.
- This agreement does not cover, nor does it create, liability for injury or damages resulting from failure of the burner, oil lines, oil tank or other equipment, or consequential damages resulting from delays or inability to supply parts caused by or resulting from any cause not within our control or at unattended dwellings.
- There are no promises, terms, conditions or obligations other than those printed herein, and this agreement contains the entire agreement of the parties hereto.
- Your account must be current to be covered by this service agreement.
- The length of this agreement is one year. It will automatically renew at that time unless we are notified of cancellation in writing 30 days prior.
- If the customer is in violation of any of the terms of this agreement at any time, Norbert E. Mitchell Co., Inc. may terminate this agreement, without refund.

Service Hours

During the life of this agreement, Norbert E. Mitchell Co., Inc. will provide dependable, prompt emergency service 24 hours a day, 7 days a week, 365 days a year. Emergency service is available after normal working hours for the following: **NO HEAT, SERIOUS FUEL LEAKS OR DANGEROUS SITUATIONS.** All other regular service will be performed during normal working hours, Monday through Friday, 7 a.m. to 5 p.m., except Holidays.

PLEASE KEEP FOR YOUR RECORDS.
